We enter as youth
and gain new goals
It is a time of new directions . . .

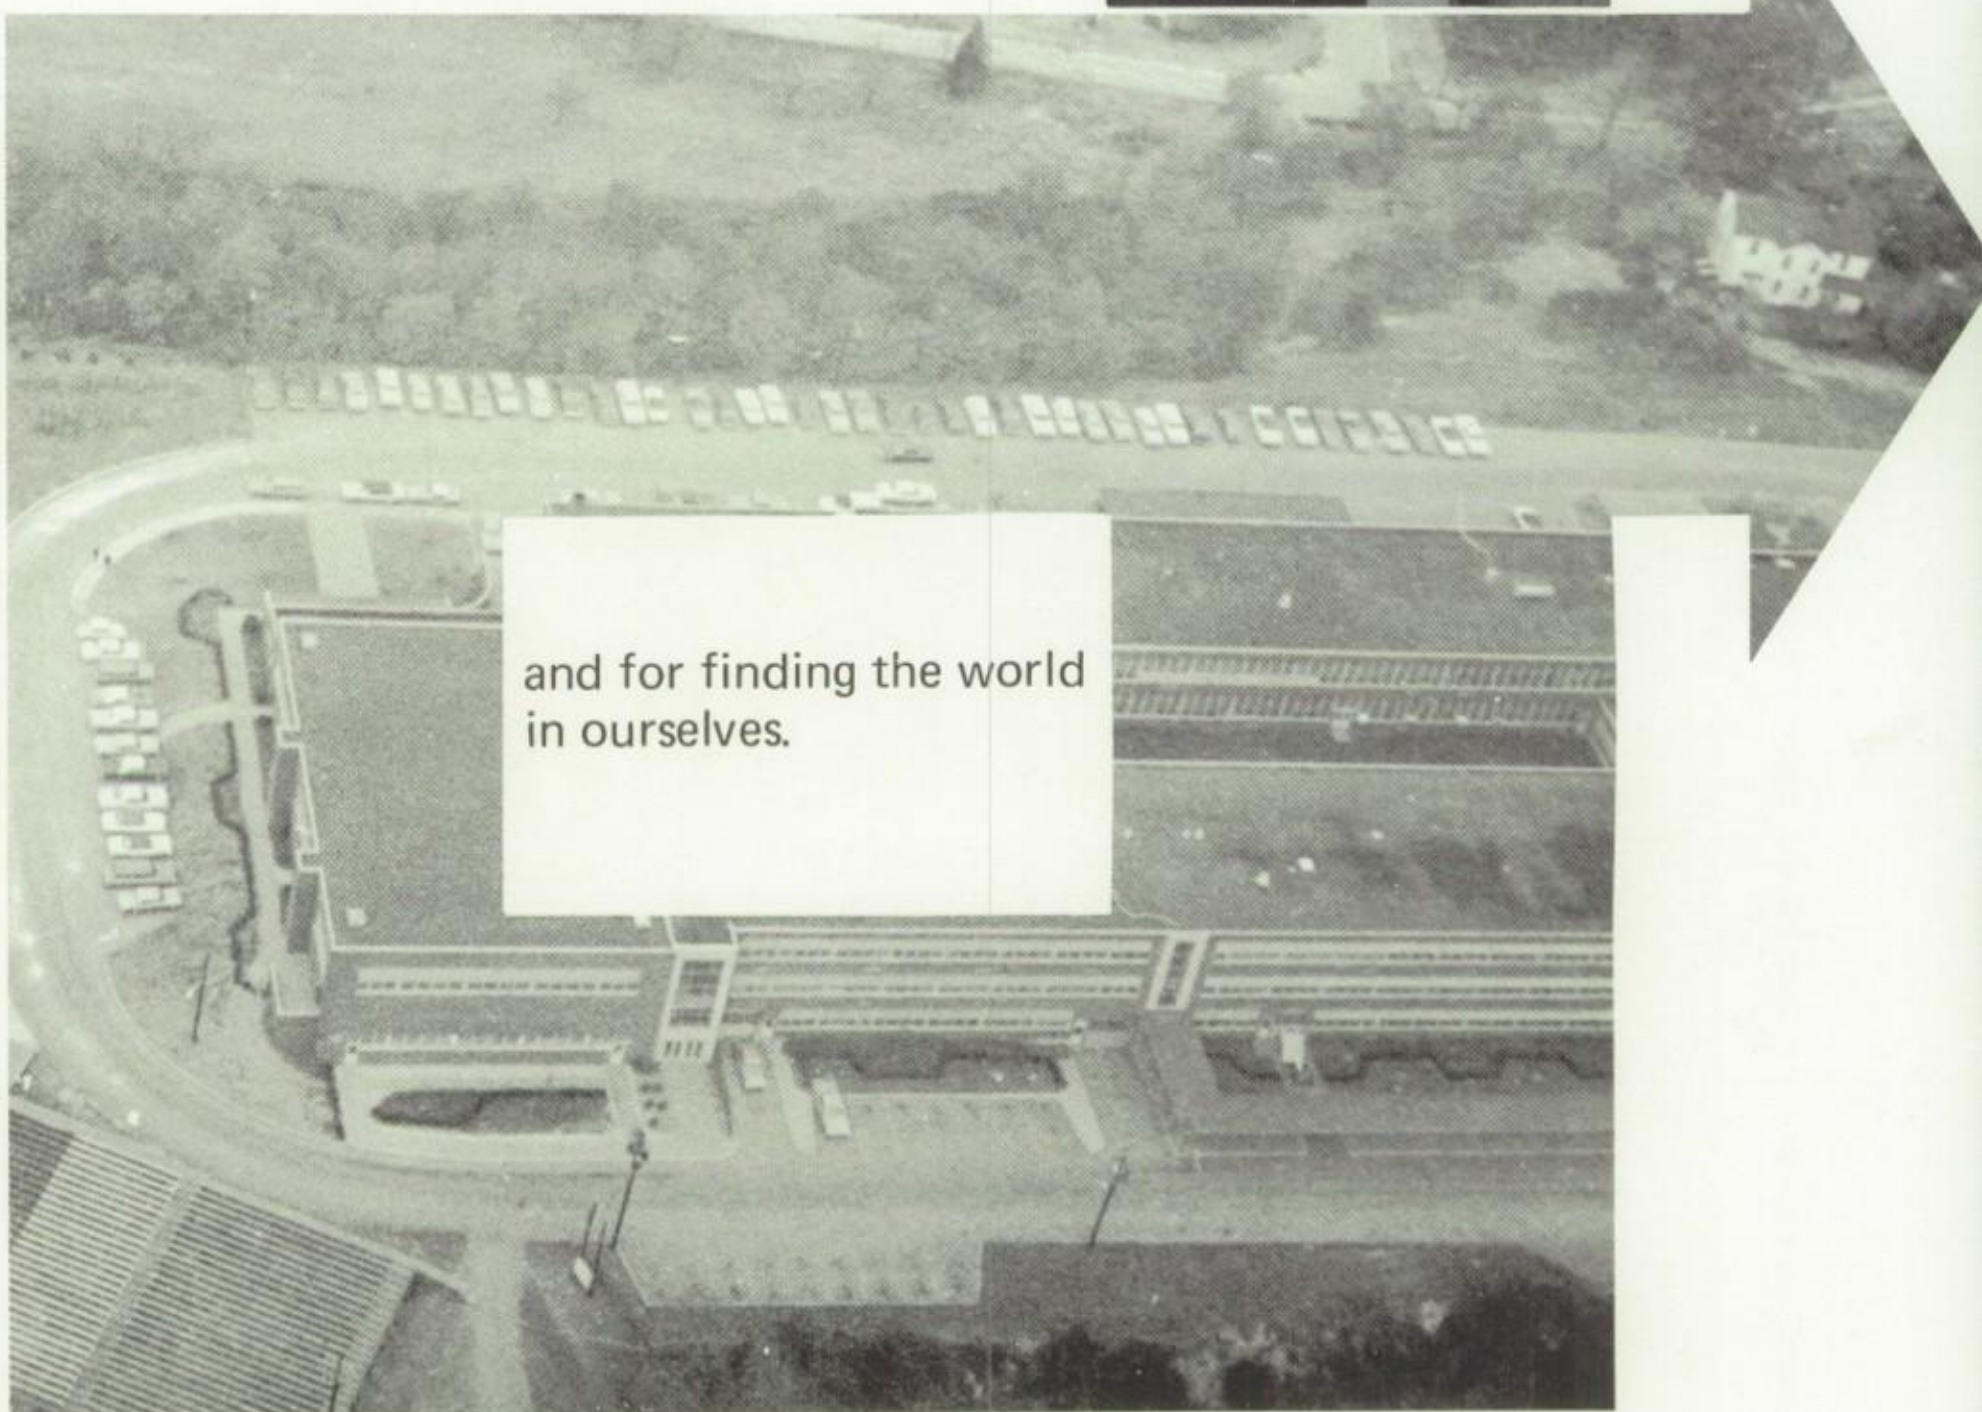

directions of involvement . . .

directions for finding
ourselves in the world . . .

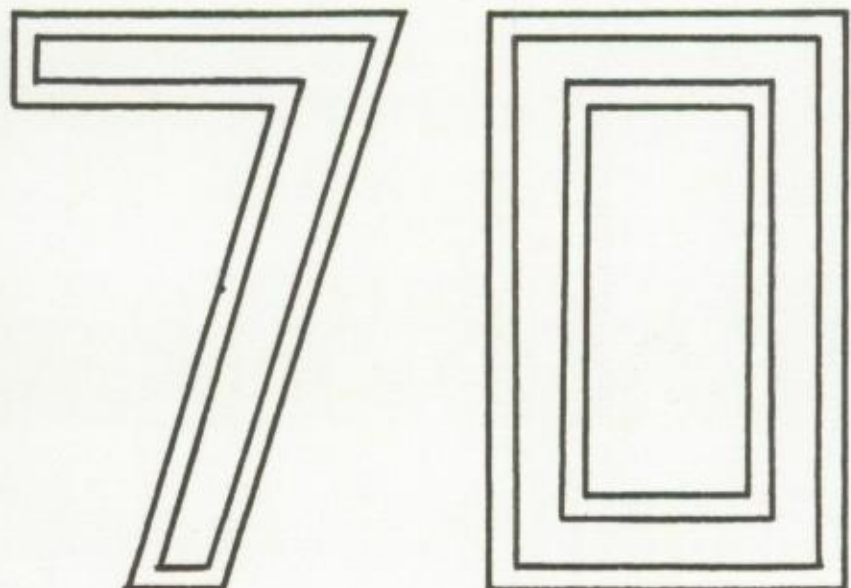

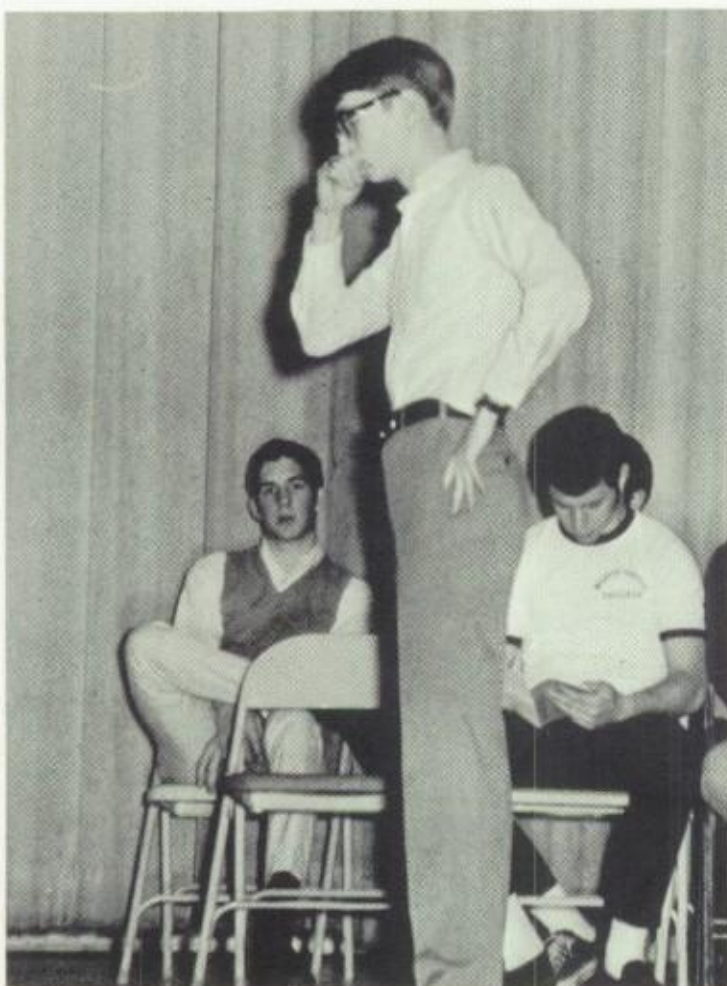

and for finding the world
in ourselves.

Captured here
is the birth of directions,
the story of our times.

IN MEMORIAM

MR. GEORGE P. ISTVAN

"When good men die, their goodness does not perish, But lives though they are gone."

—Euripides, *limenidae*

TJ suffers the death of a truly good man, George P. Istvan. A man who was for five and half years our vice-principal, Mr. Istvan passed away December 28,

Mr. Istvan was a person of a kind and warm nature, and was a man devoted to the instruction and well-being of youth. Vivacity, interest, patience, and dedication but begin to characterize this man who we not only respected, but moreover admired. Although he is gone from our sight, the goodness of George P. Istvan will remain forever in our hearts, a lasting memorial to a man we loved.

SCIENCE

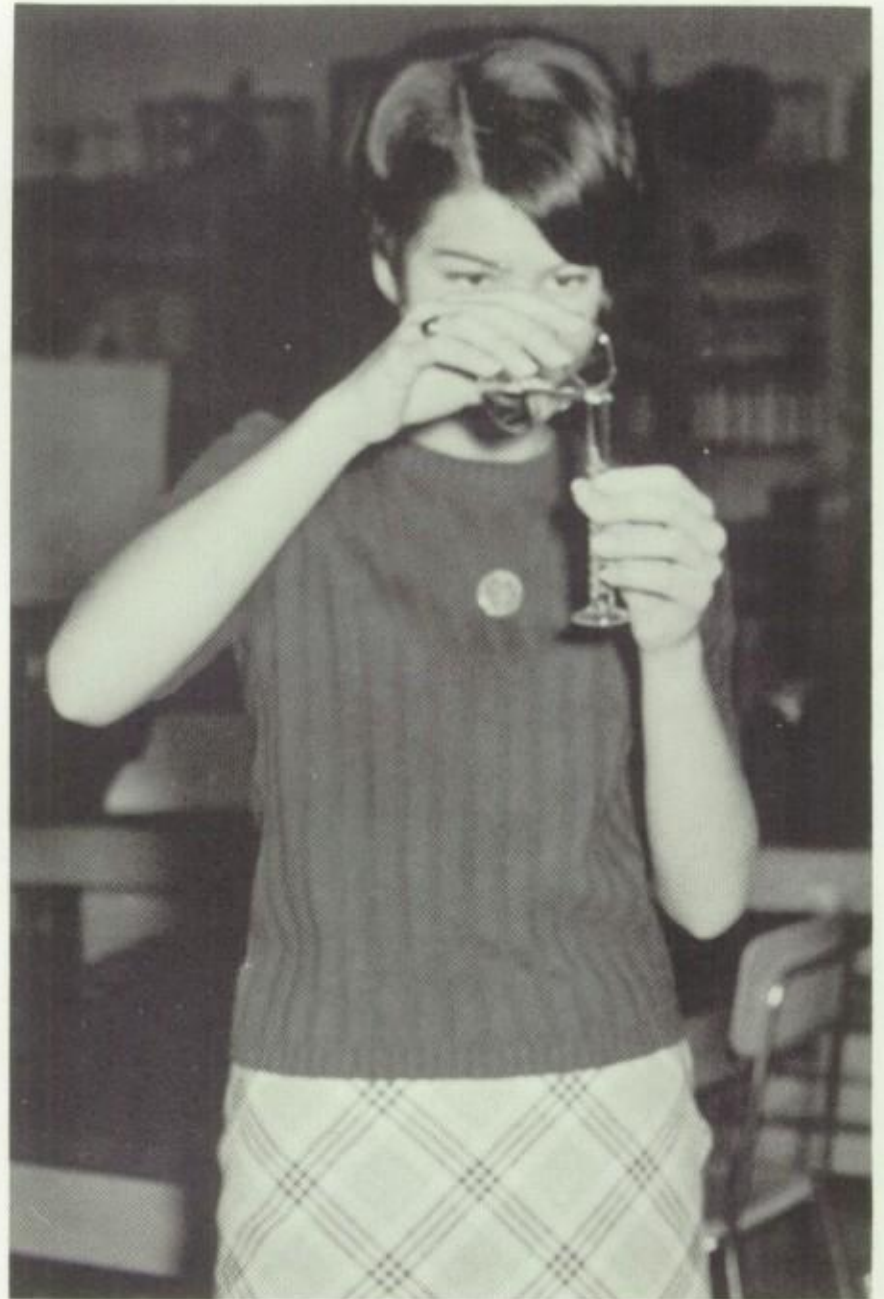

Kenneth Beal

Lynn Stablein

Throughout all man's conquests in outer space, under the sea, and here on earth, science gains in its importance. In studying basic science, as well as the higher sciences offered at T.J., we are prepared to meet the ever-growing requirements of scientific progress.

MATH

Jack Matyas

Nancy Heisler

In our highly technical environment, the demands for both precise calculations and logic are constantly increasing. The math department at T.J. helps one develop not only a head for figures, but also an analytical mind by supplying fascinating courses in various mathematic techniques. Together, these studies furnish a substantial base for the computations which will shape many physical aspects of our future.

ENGLISH

Mary Shepler

Jacqueline Myers

The greatest need of the American, both now and in the future, is an ability to communicate with his fellow Americans. T.J.'s English department develops this talent in today's students by providing them with a comprehensive study of the world's great written works. By securing a thorough knowledge of authors, styles, and forms of literature, we are assured a knowledge of one basic skill of the communication arts.

SOCIAL STUDIES

Paul and Karen study cheerfully.

An extensive background in history, such as the competent program offered at T.J., can help today's youth build a better tomorrow. Through studying the achievements and failures of past civilizations, as well as those of today's societies, we may more easily create a world of peace and harmony in our own time and for the future.

LANGUAGE

David Burdash

Thomas Phillips

Nicholas Mamula

As our world quickly grows smaller, we become more desperate for a means of communicating with neighboring lands. T.J.'s language department accepts the challenge of fulfilling this need by providing courses in Russian, French, Spanish, German, and Latin. A familiarity with these languages will aid the men of today in promoting world understanding throughout the future.

Two ambitious young men work on their research paper.

One of our most vital academic needs is that of an area in which we may research, investigate, escape, and yet always learn. This role is fulfilled most thoroughly by our high school library.

IN MEMORIAM

If one were looking for a combination of attributes such as ambition, dedication to teaching, compassion, and a zest for living, all in human form, he would have had to look no farther than our own high school. He would have found them in a little dark-haired woman whose sphere of influence included the library. He would have found them in the late Mrs. Isabel Duronio.

Mrs. Duronio, during her short career at T.J., converted the library into not only a room for research, but also into one where informal reading and learning could take place. She was good for the library, interested in the student, and because she was once a reading teacher who received her Masters degree in Library Science, knew how to aid the researcher. Her enthusiasm gave the library a distinctive quality.

This vivacity, however, was not confined to her eight hours on the job. She was active in affairs of the community. Her membership in a bowling league and her presidency of the Business and Professional Women's Club kept her quite busy. Her charm touched the children she taught at Sunday School as well as their parents, who were her fellow choir members.

The words of some anonymous philosopher are quite appropriate when one considers Mrs. Duronio's life and death. He thinks of death as a "fast approaching end of a journey-double and treble reason for loving as well as working while it is day."

ATHLETICS

What makes a great football team? Many will say outstanding players, others will say it is one which takes advantage of the breaks. But as often is the case, it goes beyond this. The impetus supplied by a tremendous head coach and his staff is vital as is the desire which is instilled in each and every one of the players. With a 24-4 record in their last three championship seasons, the Jaguars' success has affected the entire school. The 12th man, "Let's Stay No. 1", the bonfire, the trophy presentation—these were all part of a thrilling year. Twenty-three Seniors will be gone when July rolls around but last year's team is a constant reminder for those to never underestimate coach Manzini.

The sweat, the tears, the joys, the pain, are all things of the past. But the satisfaction and sense of triumph will remain with these players, this student body, and this school, forever.

Continually amazing Big Ten opponents and coaches, Thomas Jefferson's football team made 1969 no exception as the school was awarded its third straight trophy as co-champs on November 7. Extremely pleased, Thomas Jefferson's high school principal, Mr. James W. Roberts, accepted the trophy from Mr. Joseph Tedesco of Belle Vernon Area. The audience included the various Big Ten principals, TJ's coaching staff, athletic director William Weir, Superintendent Dr. Joseph E. Shafley, and a well attired and proud student body. Coach "Bap" Manzini accepted the trophy from Mr. Roberts on behalf of the 12th man, followed by remarks from Tom LaFrankie, Barb Breisinger, Craig Hustwit, Aritha Lewis, and Bob DeNale. Their comments on the contributions of their respective organizations demonstrated the joint success shared by all who played a part. It was a fitting end to a very successful football year.

Below: Head coach Manzini talks with one of the Big Ten principals. Lower Right: They've been through it twice before but this year they made it happen. Right: A great finish.

Under Mr. Weir, our Jaguar Cross-Country team finished with a 4—6 record. But as sometimes is the case, this does not tell the true story for matches against Brentwood and Churchill were lost by one point. Co-captains Walt Cook and Tom Kossum were season standouts along with Seniors King and Takagi, Junior Mark Bonasorte, and Sophomore Larry Hager. Walt managed the fastest home course time of the season with a time of 13:06. Winning their last four matches in a row indicated the team's surging improvement toward season's end. Losing 11 seniors, the squad will rely on an 8—2 JV squad to continue past successes.

Competing for the first year in Section 11—A, our varsity basketball squad compiled six victories and sixteen losses with a 1—9 section slate. Being one of the toughest in the WPIAL, Section 11 provided top-rate opponents for our Jaguar team. Dominated under the boards by these teams, Thomas Jefferson, nonetheless, gave 100%. Leading the Jaguars in scoring this year was Sheldon Slepecki with 254 points and a 12.1 average. Junior Tom Pavlik was not far behind with 218 points scored, followed by Dave Lockard's 9.3 average and 203 points. Five seniors will depart but experienced underclassmen, both juniors as well as sophomores, will be back next year to try to further the squad's improvement.

DEC. 16 - FEB. 20

Thomas Jefferson's wrestling Squad of 69-70, despite injuries, managed to stay at an even .500 with a 7-7 record. Never at full strength after the start of the season, the Jaguars, nonetheless, made impressive showings. The team was captained by Chris Takagi and John Stivala, both having excellent seasons. Stivala finished 12-0-1 on the year and made it to the section finals. Chris once again was a consistent winner, this year carrying a 14-0 record into post season tournaments. He achieved his third section title and once again finished first in his weight class in the Christmas Tourney.

Clockwise: Chris takes control, puts them down, and lifts them up . . . but they all end up losing. Foster wins. Pete is ready to make his move. John Stivala works from referee's position.

Track at Thomas Jefferson in 68-69 involved into a top-rate sport. With a 9 win 1 loss slate the team indicated its fine performances. The Big "10" Championship victory was another high-point of the season. Individual accomplishments were many in both the running and field events. Gary King captured the 2 mile record with a time of 10:1.06 while Chuck Mozingo's time of 2:02 was the best ever in the 880. Both the mile and half mile relay teams clocked record times. John Yogan, Len Kushner, Mark Washabaugh, and Bert Bartko managed a 1:32.05 in the half and a 3:34 flat in the mile was turned in by Tom Kossum, Tom Bailey, Tom Fleet, and Chuck Mozingo. Tom Pavlik and Brian Hebert hold two records each in the field events. The pole vault of 12'8" and high jump of 6' for Brian capped a successful year. Only a sophomore, Tom Pavlik heaved the shot and discus for record distances of 52'4" and 135' respectively. Team records included most season wins, 9; most points in a Big "10" meet, 117½; most points in one meet, 139; and the most times scoring 100 or more points, 9 times. Out of 37 lettermen, 31 will be returning for the 69-70 season. With this in mind, a bright future seems evident for Jaguar track.

SECTION FIVE PROVES ROUGH FOR TJ GOLFERS

The 1969 Varsity Golf season was not a winning one as only two victories were met. Playing in tough Section 5 under new coach Mr. Sarkett, the squad managed its wins over Brentwood and Chartiers Valley while losing to such teams as Baldwin and Mt. Lebanon. The team will lose seniors Dennis Steiger, a four year letterman; Bob McDonald; Dave Lockard; and Steve Ross. Dennis managed to advance to the semi-finals in the regionals, capping a successful year. Craig McDonald and Lee Loftus will be back next year to shoulder, hopefully, a better season.

Thomas Jefferson's young varsity tennis squad posted a 4-6 record in 1969. Led by Bill Hubbell, in his fourth year of varsity tennis, the team was also comprised of two freshmen, Ron Braun at number 2 singles and Bill Lipowcan at number 3. Steve Ross and Steve Ruth also came on to help during the season. Considering the youth in the squad, the team did a good job. The future should reveal a much improved and matured team.

OUR OWN CHEERLEADERS!

Thomas Jefferson's cheerleaders, once again, played significant roles in the Jaguar athletic scene. In planning and performing skits at pep rallies, making signs, and cheering for our teams in action, the girls certainly can be considered as active backers. They were the voice of the 12th man, sharing in every triumph and defeat.

Captained by Barb Breisinger with co-captain Ann Shalley, our cheerleaders were under the capable guidance of Miss Erskine. Two weeks in the summer and countless hours after school were not easy, but in the long run they proved a credit to themselves, to our athletics, and to the school as a whole.

JUNIOR CLASS PRESENTS

"MURDER TAKES THE VEIL"

Directors: Tom Simpkins, Debbie Nolan, Miss Frola, and Mr. Morgan.

The ability of a play to create an emotion in an audience is truly a sign of excellence, and is just one of the outstanding characteristics for which Margaret Ann Hubbard's play, "Murder Takes the Veil", will be long remembered. Presented by the class of 1970, this play has the distinction of having fully mesmerized its capacity audiences with the first mystery play in Thomas Jefferson's history.

Miss Frola and Mr. Morgan, with the assistance of student directors Debbie Nolan and Tom Simpkins, dedicated themselves to the efforts of this production, which culminated in two brilliant performances given on November 22 and 23. The leads, Geri Drnach, Bill Stotesbery, and Carla Anderson, as well as the entire cast, devoted themselves to weeks of work which provided for a fine rendition of "Murder Takes the Veil."

HOMECOMING

Under the bright lights of the Thomas Jefferson football stadium, the 1969 homecoming court walked across the field while the band played "Can't Take My Eyes Off of You." Escorted by Key Club members, Aritha Lewis, Joyce Schademan, Barb Hintz, Sheryl Korposh, Barb Breisinger, Kathy Monohan, and our queen, Eileen Gurecka were bright-eyed and anxiously awaited the fateful announcing of the queen. Eileen's name echoed throughout the stadium and loud clapping and cheers rippled through the audience. Once again Thomas Jefferson was honored with a successful homecoming and a beautiful queen.

"Wayne, this is no time for jokes!"

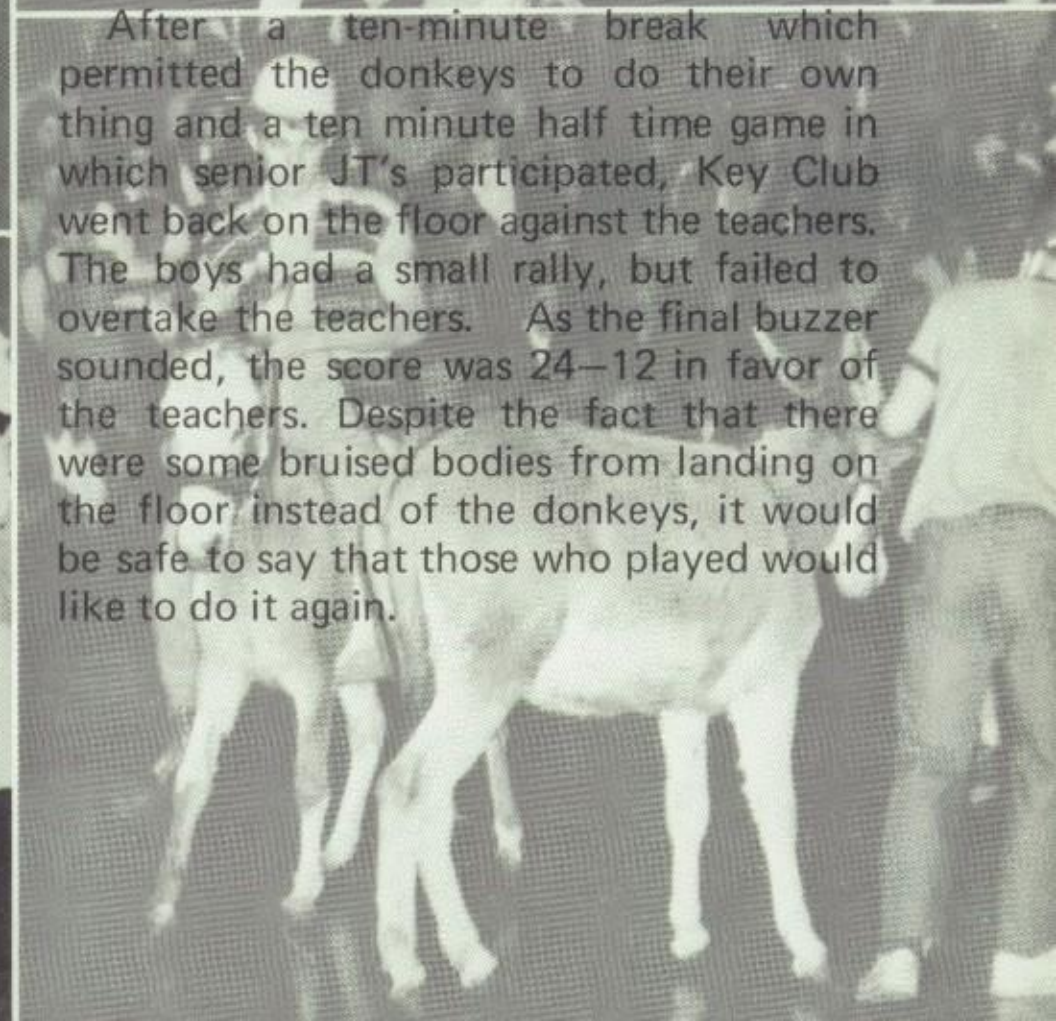

DONKEY BASKETBALL

Those were the times that tried all Senior Key Clubbers' and men faculty members' souls. In the second annual Donkey B.B. game, once again the senior members of Key Club went down in defeat to some outstanding (?) men of the faculty.

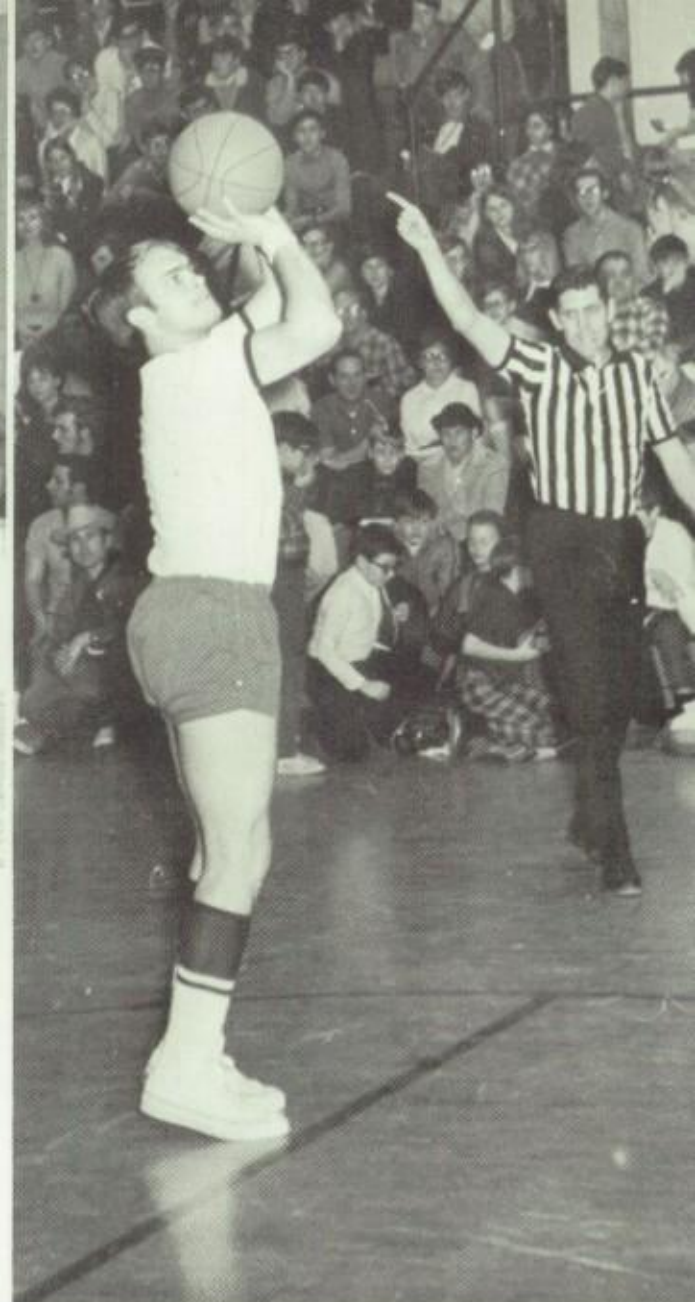

This new sport consisted of four, eight minute periods. At the start of the game, the teachers immediately took control, but they had little control of their donkeys. In the meantime, the Key Clubbers were able to score with the fine shooting of Steve Ross, Bill Stotesbery, and Geof Noble. At the half, the teachers led by a score of 10 to 6.

After a ten-minute break which permitted the donkeys to do their own thing and a ten minute half time game in which senior JT's participated, Key Club went back on the floor against the teachers. The boys had a small rally, but failed to overtake the teachers. As the final buzzer sounded, the score was 24-12 in favor of the teachers. Despite the fact that there were some bruised bodies from landing on the floor instead of the donkeys, it would be safe to say that those who played would like to do it again.

STUDENT - FACULTY GAME

Above: Faculty cheerleaders. *Right:* Stoopers watches the action.

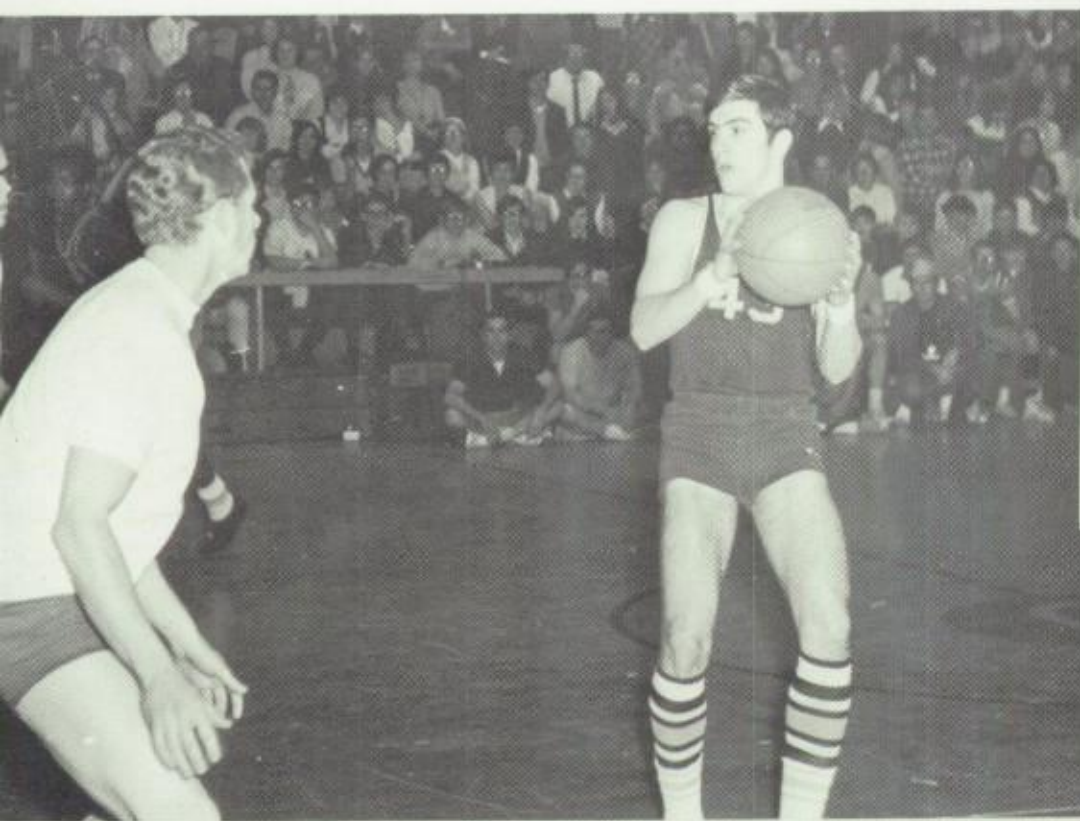

It was the twelfth annual Student-Faculty game. The crowds were filing into the gymnasium with an expectation of seeing a great display of skills, and they were not disappointed.

The evening began with the Seniors embarrassing the Juniors in the pre-game competition. Bob Lutes led the Seniors as high scorer in their 80-36 victory over the Juniors, along with Sheldon Slepecki, Tom LaFrankie, Lou Cecconi, and Dave Lockard as the double figure scorers. A valiant effort was made by Rick Egeland as high scorer for the Juniors.

A more than interesting pre-game show was put on by the faculty, and then the action began. The talented and charming corp of Faculty Cheerleaders boosted their team onward and upward to their victory. With a little help from the refs, the score became almost too close for comfort for the Faculty! With Mr. (Buzzy) Kolenc as high scorer for the Faculty and Tim Stack as high scorer for the Students, the game held its excitement to the end. The evening terminated as a tremendous success, with the profits going toward the J.F.T. scholarship fund.

"WITNESS FOR THE PROSECUTION"

March 13 and 14 were the dates for a unique presentation staged by the Class of 1970. The play was entitled "Witness for the Prosecution" and was the first of its type to be attempted ever at T.J. Bill Stotesbery, Sue Ann Shuback, Bob Good, and Jim Backstrom played the lead characters effectively in this English court drama. The bizarre finale to this play gave the capacity crowds more than its money's worth. The Senior Class should be congratulated for its whole-hearted effort and a special thanks to our directors, Mrs. Morgan, Barb LeDonne and Tom Simpkins.

The annual Sophomore Carnival was held by the Class of '71 in April, 1969. Class members worked during the previous evening to set up stands and make posters and signs. Once again, the gym was filled with pizza, games, balloons, and excitement. A dance was held following the carnival—with music by the Soul Sound—and the entire event turned out to be a great success.

AEGEAN"

The Grecian atmosphere and the beautiful music of Joan Lippert accompanied by Dick Bertini and his orchestra highlighted a great night for the Juniors and Seniors. This was "Midnight on the Aegean", a night to remember. The Grecian atmosphere was intensified by pillars and servers in tunics with headdresses of fig leaves.

After leaving this Grecian splendour, the couples boarded buses and traveled to the Holiday House. The couples were served a delicious meal and were entertained by the Liberty Brass. The weary couples then returned to school with happy memories of their Midnight on the Aegean.

T.J.'s Student Council, in its efforts to serve as a liaison between students and administration, has seen a busy year this year. Among its many projects were the selling of football programs, the conducting of T.J.'s first bonfire pep rally, and the prompting of action on the dress code. To learn about other schools and their councils, our Student Council has participated in several student exchanges with area schools. Under the direction of president Bob DeNale and his officers, as well as Sponsor Mrs. Supra, the Student Council this year has offered a high standard for other councils to meet.

As in previous years, the main objective of the "Statesman" is to represent news as it happens at TJ and the surrounding community, and to express student interests and ideas. This year's staff, headed by editors Geri Drnach and Linda Wright, worked diligently each month reporting, photographing, interviewing, typing, and compiling a journal of people, issues, and events. The paper also served as a center for discussion of controversial happenings between administration, faculty, and students themselves. The "Statesman" has truly been a newspaper concerned with reporting and presenting all facts and opinions and enlightening the student body in general.

THE MONTICELLO- RECORD OF EVENTS

The *Monticello* staff works hard each year preparing a chronicle of events and memories of the school term. The current staff, back in September, agreed that this year's *Monticello* would be creative, imaginative, accurate, and artistic. With a lot of hard work, collection of ideas, and time the staff of the *Monticello*, under the supervision of editor, Karen Sunnarborg, and advisors, Mr. Kuchta and Mr. Wetzel, has succeeded in presenting to the student body of Thomas Jefferson High School, an unforgettable account of 1969-1970.

The school year of 1969-70 saw the Key Club keep up with a tremendous program of services and projects. For the first time, the club finally was successful in carrying out a Big Brother Program. Beside work at the Mars orphanage, the club also sponsored such well attended programs as the Donkey Basketball Game, Homecoming Queen ceremony, various soc-hops, and a Spaghetti Dinner. All this was accomplished under the capable guidance of Robert H. Morgan, president Rick Erwin, and the Board of Directors. Besides benefiting our school and community, the Key Club also played a vital role in the state. Lieutenant Governor, Jeff Swift, and District Parliamentarian, Steve Ross, provided this link. The Key Club certainly upheld its past successes and proved an innovative resource at Thomas Jefferson.

Forensics has become more than a club that trains its members to speak and to think on their feet. Under the leadership of the past two presidents, Jim Backstrom and Bill Stotesbery, and the skillful coaching of Mr. Seabol, a team spirit has developed. As a result, Thomas Jefferson now dominates the district in extemp, interpretation, original oratory, debate—all the major areas of competition. Debate teams have gathered experience from tournaments in Boston, Philadelphia, Washington D.C., and at Pitt that have kept them far ahead of district competition. In Student Congress, awards that have been received by our school are equal to the total received by the second, third, and fourth ranked schools combined. In drama and humor, Thomas Jefferson has led the district with at least one and sometimes two participants in every medal round the district offered.

SPECTRUM: LITERARY PUBLICATION

The *Spectrum* is a literary magazine in which works written by the students are published. It is directed by Mrs. Shew and the Creative Writing class. It contains the best representatives of literature, prose and poetry as well as art work by students. This year's J.T.'s organization, under the supervision of sponsor, Mrs. Morgan, aimed to help our school and community. A service group from the beginning, this year the club performed several worthwhile activities. It sponsored a dance whose proceeds were contributed to filling Thanksgiving baskets for needy families. It also filled Easter baskets for children less fortunate than most. Besides visiting convalescent homes and Christmas caroling for a worthy cause, J.T.'s put forth special effort in improving the school in general.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization whose main purpose is to give recognition to those students who have obtained a high scholastic achievement. The club's sponsor is Mrs. Nancy Heisler and the president for the year 1969-70 was Bob Maguda. The activities of the National Honor Society include the awarding of first and second place ribbons to home-rooms with the highest grades for each six weeks, the offering of a tutoring service to any student who may need help, and the holding of several student forums in which current issues are discussed openly by any student wishing to attend.

UNDERCLASSMEN

CLASS OF 1973

Freshman. An old word on new faces. Eager faces, willing to learn and work together. Faces sometimes confused by the mass chaos of bell schedules, locker combinations, late passes, and upperclassmen. Then smiling faces, getting used to the new sophistication and liking it. The Class of 1973 . . . It has a nice ring to it.

CLASS OF 1971

Junior Class Officers: Tom Yaksick, treasurer; Scott Livingston, president; John Laverick, vice president; Marcy Davis, secretary; Miss Yanik, sponsor.

Our junior year . . . and what a year. It was a time for class rings and the feeling of togetherness . . . unity . . . the class of all classes. The 12th man played his part . . . we were there with one common goal: to win.. "Harvey" took life through the efforts of many. We worked together for the last time as juniors to make our prom a success.

As our junior year comes to an end, we look ahead with sorrow and pride and with the hope that we can meet the high standards set forth by the Class of 1970.

From these halls,
An era has passed,
A time of preparation.

We must now leave these protecting portals . . .

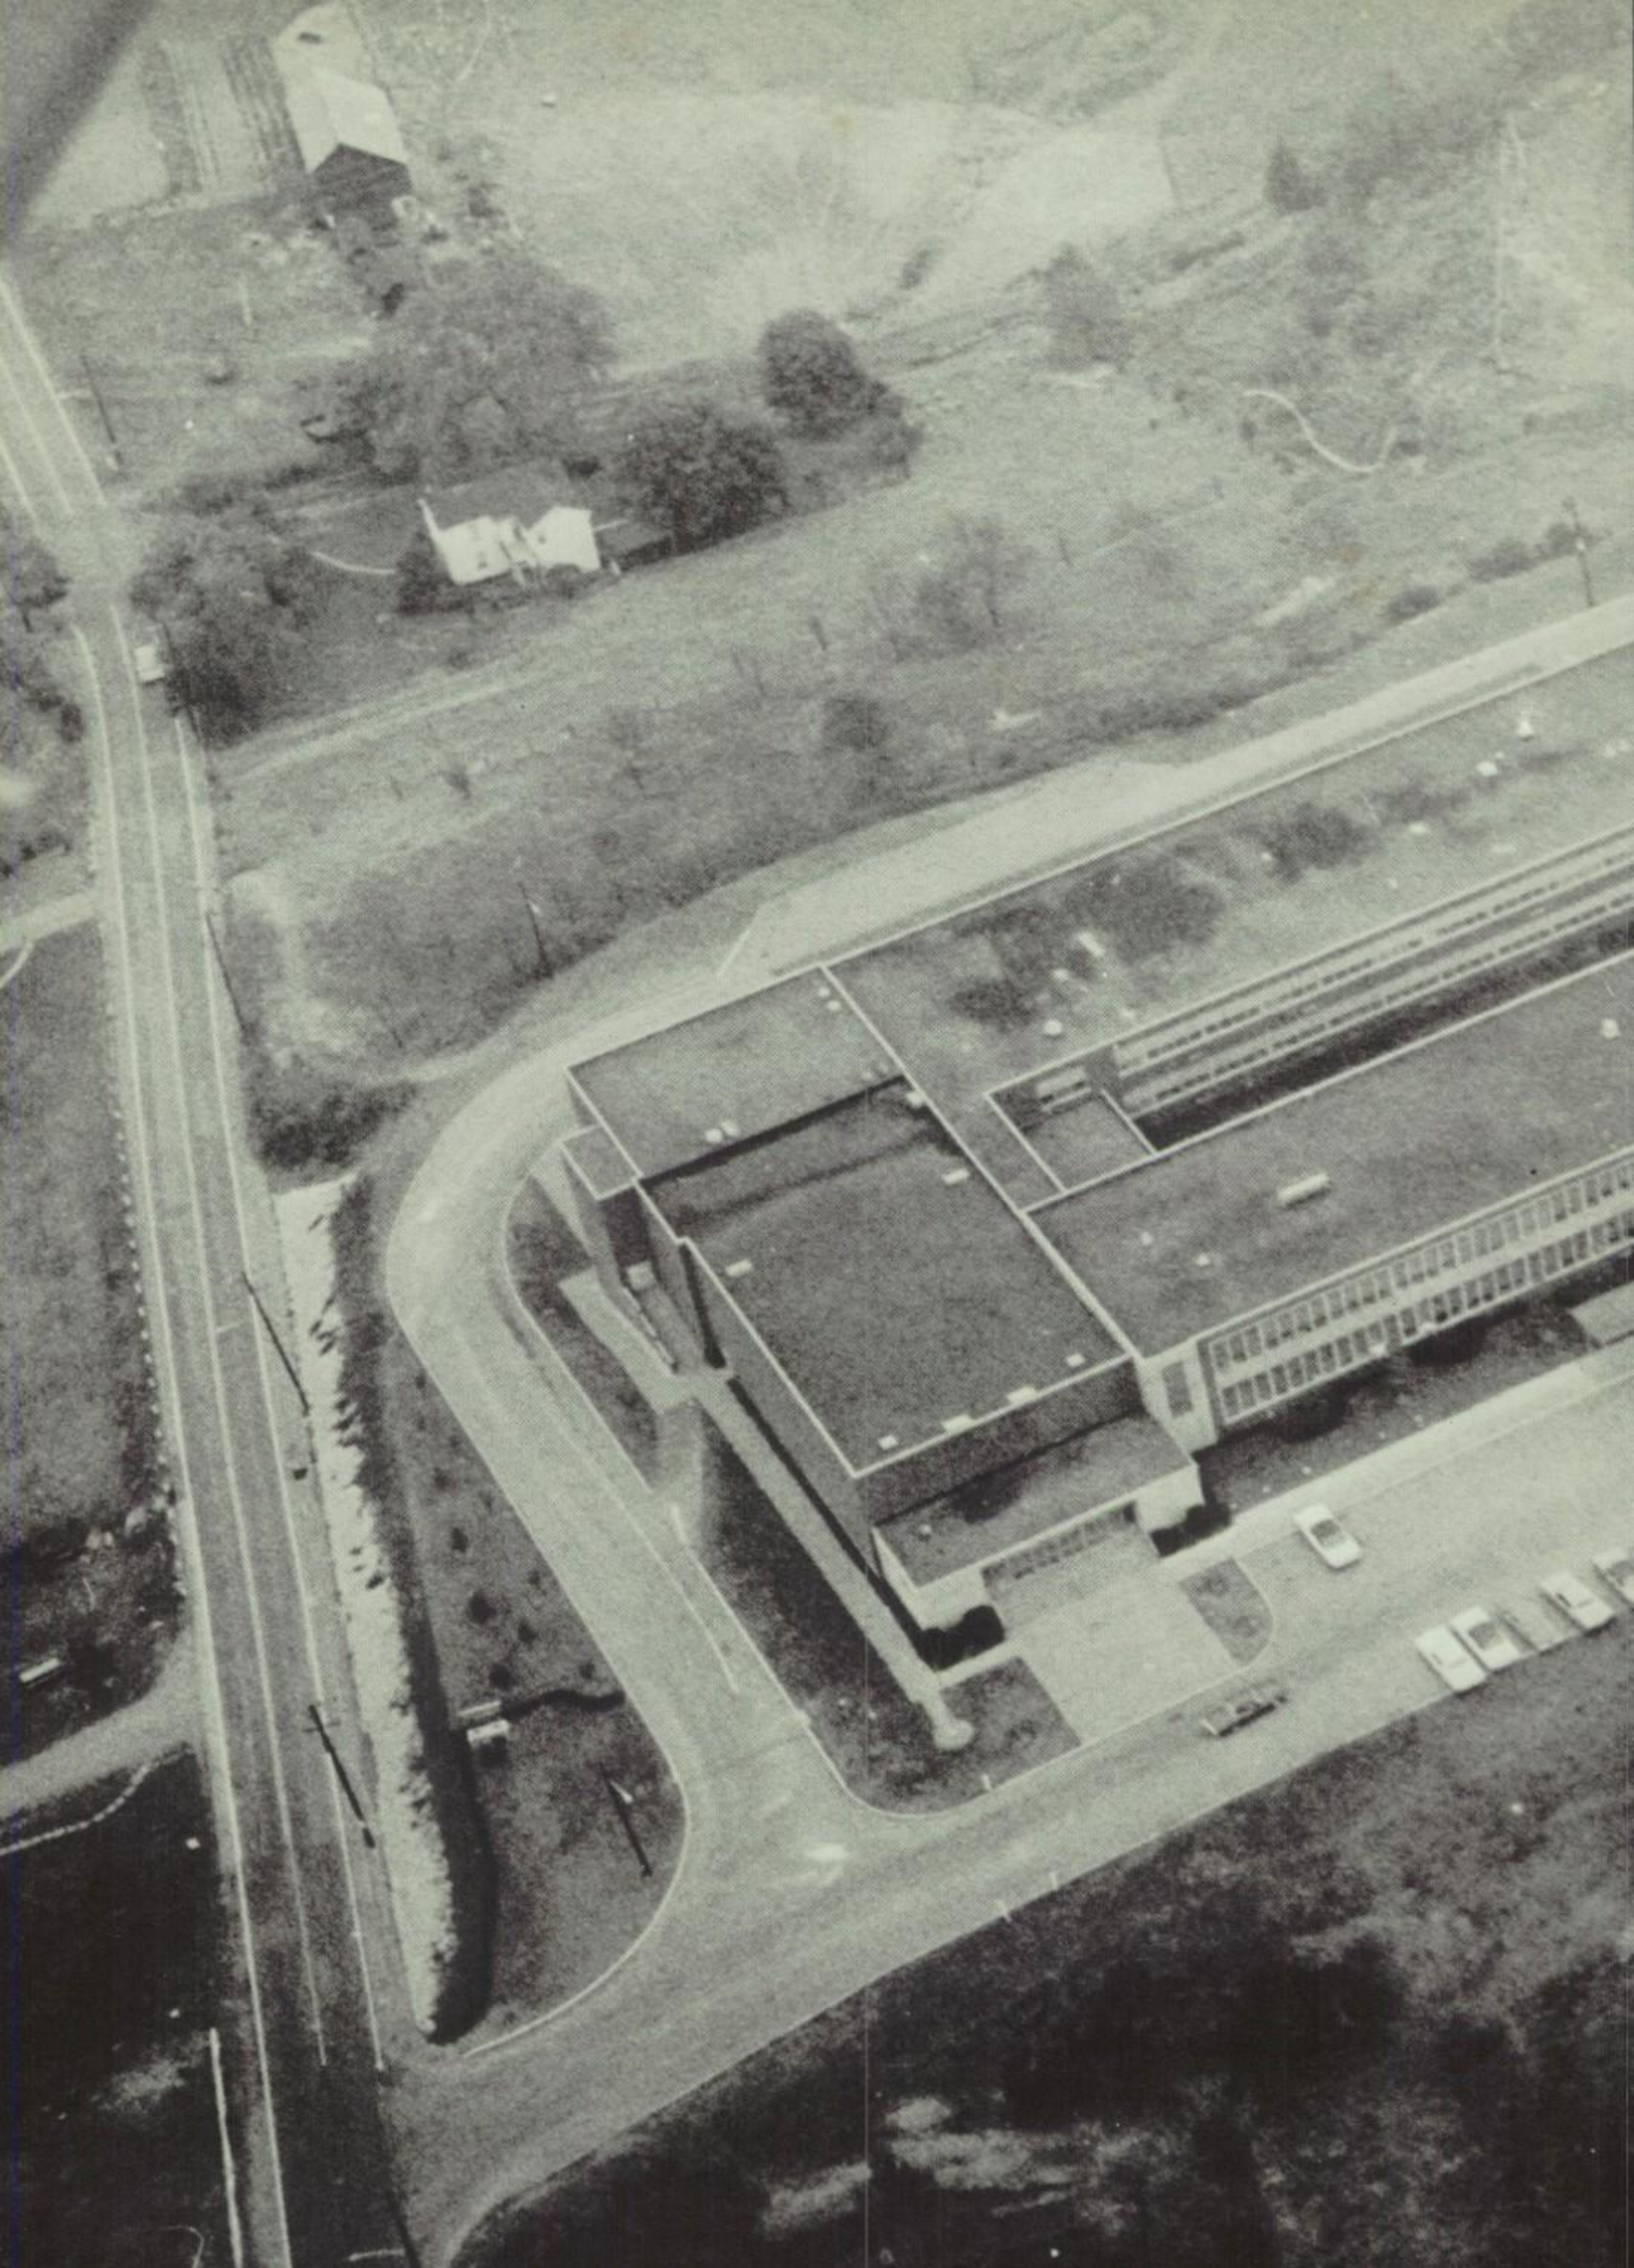

And challenge the world,

Applying our new-found directions
To meet our highest goals.

"A time for us,
Someday there'll be . . ."
